Students from Kewstoke are using the Life Skills Flat to practice their functional skills in English and Maths. They are working on Houses and Homes this term and making the most of the facilities at the flat to develop their independent skills within a home setting.

Some of Worle class have been spending time in the flat making drinks for themselves and trying some different foods. Here are Ellie, Kyle, Laura and Maisie trying some pineapple they prepared.

We all enjoy music in Orange Class and work very hard to strike, hold and play percussion instruments. Lexi really likes the bells and will reach out to turn the bell carousel making the bells jingle. Kayzee-Mae's favourite instrument is the ocean drum. She likes to tap it and watch the beads inside move making a sound like the sea. We have lots of fun making music together!

Uphill class have been exploring different things we might find in our kitchen at home as part of our science work. We used our senses to try and guess what each thing was and if it was a food item or something else like washing up liquid. Cameron was very taken by the creamed rice, both to touch and taste!

Purple class had great fun at country dancing this week with other classes from Baytree and 6H from Heron's Moor. All the class did excellent joining in and turn taking. We were very impressed!

This week in Hutton class we have been socialising and spending time with our friends. Stephen and Lewis have been singing songs together; Ella, Molly and Charlotte have been experimenting with different sized glasses!

Yellow class have been busy so far this term learning about our topic "All About Me". This week we have been exploring our feet and feeling lots of different textures to make us more aware of our feet. We have discovered what we like to feel on our feet – Owen loved the textured rolling pins; Freddie the bubbles in the foot spa and Frankie the "Gloop" between her toes.

Happy Birthday to Jake as well this week – he enjoyed a lovely chocolate cake with his friends.
