

As you know there is no guarantee of snow at this time of year, but Green Class has left nothing to chance. We visited Sanders Garden Centre and went into the snow globe. It was a magical experience for all the children and staff. However, as we managed to bring lots of the 'snow' back with us in pockets and chairs the cleaners wondered what we had been up to!

Purple class have recently had a visit to Airhop Trampoline Park in Bristol. We all enjoyed bouncing around and jumping into big pits of foam and used up lots of energy! The students were all extremely well behaved and would definitely recommend to families or groups as they catered for us so well.

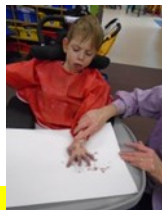

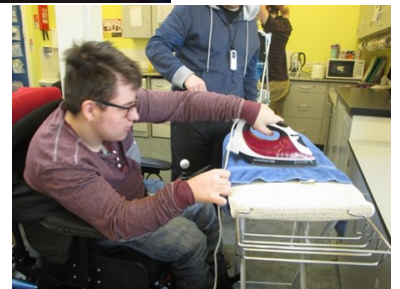

We have been working lots on our social skills in Hutton class and Ella and Molly have been having lots of fun working, interacting and playing together. They have been playing with shaving foam (and other messy things) and really enjoying each other's company whilst getting very messy!!

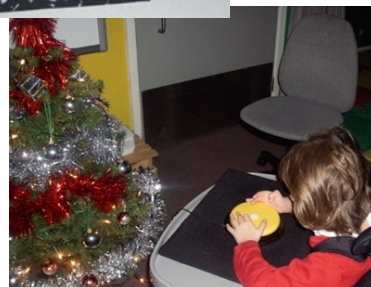

In Uphill class we cook on a Wednesday morning, this week we all made pizzas on a pitta bread base. We chose our toppings of mushroom and ham, chopped them then added grated cheese. We cooked them in the oven then enjoyed them at

Kewstoke students have been looking at Houses and Homes in English. Some of them have been developing skills needed in the home setting, including ironing, cleaning table tops, sweeping floors, hanging washing and hoovering. Kewstoke classroom is now spotless 😊

Yellow class have been busy getting ready for Christmas. We have had a great time making lots of hands and foot prints, paint between our fingers and toes and in our hair!!!! We hope you get a chance to come down and see our class displays to see the results of our hard work and if you receive one of our Christmas cards can you guess what we used?

We've been very busy getting ready for Christmas in Orange Class. We joined friends in Herons' Moor reception classes to make decorations which are now displayed along the main corridor making the building look very festive. We also had fun decorating our class Christmas tree. We especially enjoyed playing with the tinsel and shiny baubles before putting them on the tree! Our tree looks very pretty and we all love turning on the lights using a switch.

Supportive Parents - SEND Information Advice and Support Service Drop-in support group meeting for parents and carers of children/young people with SEND.
