

Part of Uphill’s Maths lessons involve us going to the shops to buy our class supplies. Each week we need to buy more squash for snack time, we also need to buy our ingredients if we are doing any cooking in class the following week. These are some of the things our termly amenity money goes towards. We take it in turns to pay the till person and take our change. The people on the tills are always very friendly and helpful to us and we really enjoy our shopping trips.

We’ve been working hard to develop our physical skills in Orange Class. We all enjoy our weekly session in the hydro pool where we do exercises to strengthen our muscles and increase our co-ordination, balance and water confidence whilst having fun!!

Macmillan Coffee Morning

Hayley won the food hamper for her carrot and walnut cake at the Great Baytree Bake Off

Kewstoke students hosted a Macmillan Coffee Morning, as part of their Community Champion Projects on Friday 30<sup>th</sup> September. This involved lots of cooking, lots of publicity and excellent hosting skills on the day. A total of £207 was made - the biggest total yet!! 😊

As part of Green Class’ work on personal care we have been making our own hand lotions and scrubs. We have been using natural ingredients such as sugar, yoghurt, lemon juice and olive oil. After we have made them we have been trying them out and our hands have been feeling lovely and soft and smelling beautiful.

Purple class have continued exploring people who help us and this week we have been learning about doctors. The class have explored all the different ways a doctor can help us such as giving us medicine when poorly, listening to our heart and putting on bandages when we cut or burn ourselves. They all had great fun role playing a visit to the doctors and were all fantastic patients!

Hutton Work Experience

This term Ellie has started her work experience. She is working half a day a week with the students in Green Class. She wears her yellow ‘Baytree Community Champion’ t-shirt and a work badge which she made for herself. She helps the younger students with the activities they are doing.

Sam, Jack, Kyle, Yasmine and Laura in Worle class are going horse riding this term. They have been learning lots of new skills: how to hold to reins, how to steer in and out of cones and how to get the horse to walk, trot and stop. All the students really enjoy their riding lessons and are very keen to go each week! Here is Kyle riding telling the horse to stop between the poles.

### School sweatshirts

One of our parents has 3 brand new red school sweatshirts in size 28" for sale. If you would like to buy them, please contact the school office.

### Library half term fun

There will be a session in Worle library on Monday 24 October from 2.00—3.00 to take part in autumn crafts, stories and games. The session is suitable for children of all ages and costs £1.00 to participate. Please reserve your space in advance by calling the library on 01934 426090. Children must be supervised by a parent/carer at all times.

I am very pleased to inform you that Baytree School achieved the Silver School Games Mark for 2015/16 for our commitment, engagement and delivery of competitive school sport. Throughout the year we have endeavoured to provide all our pupils with sporting opportunities including swimming, dodgeball, horse riding, rebound therapy, tai chi, accessing the gym at Hutton Moor leisure centre, golf and many more. We have also participated in a range of sporting events and competitions with other schools including table top cricket, orienteering, dodgeball, football, boccia and new age curling and a baton relay. These sporting events continue to be extremely motivating and a really positive experience for our pupils. Watch this space for more sporting activities this year! Ed
