

“Making the most of every day”

This term Purple’s class topic is performance and we are focussing on building our own version of the Bear Hunt story. This week we visited Cheddar Gorge to explore rivers, caves and woods and enjoyed a chippy lunch!

This term our theme in Orange Class is “materials” so we’ve been busy exploring a range of different textures to paint on. We really enjoyed spreading paint on shiny foil as it was smooth and made a rustling sound when we moved our hands or brushes over it. It felt funny painting on bubble wrap as it was very bumpy, but that didn’t stop us having fun using lots of different colours and mixing some new ones! Some of our artwork is already displayed in the corridor so have a look when you’re next in school.

Green Class visited the flat last week. We found there were lots of jobs that needed doing. Megan enjoyed pushing the Hoover around and Tomi filled the washing machine.

Some of Uphill Class have enjoyed going to music therapy with Sarah this term. Savannah really likes playing the piano. Brandon, Lauren and Cameron have a joint music session. They all enjoy playing the different instruments and using their voices.

Hutton class have been looking at Africa in art this term. This is a collage of African inspired handprints we have produced.

This week Yellow

Class have been having fun working with Children’s World to create their own puppet show alongside class 3H from Herons’ Moor. We have made lots of new friends who have been helping us join in the activities.

This term, Worle class are exploring how we can get money. They are taking part in jobs each week so they can earn money to spend in “Worle shop”. There are different jobs on offer and students can choose which they would like to do. This week, one of the jobs has been cleaning; we get the vacuum cleaner out so this is always a popular choice! Here is Abby cleaning the common room!

We enjoyed playing games with an enormous parachute on Monday. Some of us had the chance to go on the parachute and we watched the rainbow waves around us.

We have been doing lots of making and sticking, singing and dancing this week. We have enjoyed getting messy and playing with lots of different materials before having a dance and a sing with all of our friends!

Kewstoke have been thinking about the jobs they might like to do when they leave school. We had Farmer Nick come in with Mary the hen and Toby the Barn owl to tell us all about working as a farmer.

We are very grateful to Ray Beckingham from the Forest and Mendip Freemason's Lodge who visited school and presented us with a cheque for £295.00. This extremely generous donation was raised at their Christmas lunch.

The UK's first National Festival of Specialist Learning debates the key issues facing young people with disabilities and learning difficulties and looks for solutions.

It's an opportunity for professionals, parents and young people to join forces and work together.

Hosted by **National Star** at its fully accessible campus near Cheltenham. For more information and to book tickets visit <http://www.festable.org/>

Parents/Carers we need you!!

We need parents and carers to attend our session on

Thursday May 10 at 9:30 in the Campus where we will be obtaining your thoughts on what we need for our "new school" to ensure it best meets all children and young people's needs. We will focus on not only the physical environment but also the wider role the school provision could include, for example a 19—25 year olds provision, could the site include some sort of respite or short break service?

This will be an opportunity for parents and carers to share their views on what they would like to see our new school offer!

Dates for Diaries

- ◆ 9 July—Parents evening
- ◆ 13 July—Senior school Prom
- ◆ 20 July—Celebration assembly
- ◆ 24 July—Leavers Assembly
