

We are committed to seeking and acting on feedback from staff, pupils, parents and other stakeholders. We would like you to help us to be aware of your views on what is happening and how things could be even better. **It will really help if you can add examples etc. of where things are working well or not so well. We would also welcome your ideas to make things even better.**

This should only take a few minutes. Please could you return this to school by Friday 28 June?  
Thank you. Ed
