6. Please list two things which you think are good about how the school and/or your class team communicates and one thing that could make communication with school and/or your class team even better

Two good things about communication are:

One thing that could make communication even better is:

7. Baytree Bugle

We are continually trying to include relevant and timely information about school including upcoming events and to provide useful local information for families in the Bugle. How satisfied are you with the school and local information we provide in the Bugle?

Extremely satisfied	Very satisfied	Satisfied	Usually satisfied	Not satisfied	No response

Please list two things which you think are good about the Baytree Bugle;

One thing that would make the Baytree Bugle better is:

8. Partnership with Families

Do you consider that the school works in partnership with you and is supportive when your child experiences health issues, difficulties with their behaviour or other areas of learning?

Yes	No

Please tell us how you consider this could be even better:

9. Website

We have launched a new website this academic year and we hope the information is relevant and easy to find

Have you been able to find the information you were looking for?

Yes	No	No response	Don't use website

Please tell us if there are things that you feel would make this even better:

10. All schools are required to publish a SEN Information Report on their website which sets out the provision and support for pupils with SEN. We would welcome any feedback on our report and suggestions for making it even better for families.

Have you read our SEN information report (in parents/SEND guidance section of website)

Yes	No	No response

Please tell us your feedback on the report and any suggestions for how it could be improved for families:

Have you engaged with your child's interactive learning journal?

Yes	No	No response

Have you found the interactive learning journal has given you a better understanding of what your child has been learning at school?

Yes	No	No response

Any other thoughts about the online interactive learning journals?
