

9th September 2019

Dear Parents/carers

I hope you have all had a happy and restful summer and are looking forward to another exciting school year ahead.

It has been a rather busy summer for Baytree School, in particular the progression of the expansion of Baytree School onto a second site. It has been agreed for the formal consultation to take place for the expansion of Baytree School from 72 places to 120 places, and onto a second site. Following a review of 13 possible sites, land at Brookfield Walk Clevedon has been identified as the most suitable location for the proposed expansion.

A planning application is due to be submitted later this year. Once submitted, people will be able to comment on the application and share their views about using land at Brookfield Walk. The consultation period will run from the 19th September to the 25th October and will provide the opportunity for parents, Governors, school staff and the wider community to give their opinion on the development of the second site.

During the consultation there will be events for parents, school staff, stakeholders and the general public to attend where information on the proposal will be given and questions can be answered.

Prior to the consultation supporting information will be provided outlining the need for the expansion and greater details of the site. I hope to include photographs of our wonderful pupils within the consultation events and accompanying information. If you **do not** want your child's photograph to be included please complete the form below and return by Friday 13th September.

Details of the consultation and dates/times of the events will be sent to all parents in due course.

Yours sincerely

Ed Bowen-Roberts
Headteacher

Consultation Photograph Inclusion Slip

Child's Name: _____ Class: _____

I **DO NOT** wish for my child's photograph to be included in the consultation events for the new school.

Signed: _____ Date: _____
