

4th September 2019

Dear Parents/Carers

To further increase parental involvement with your child's learning we have an interactive online learning journal for all pupils within Key Stage 1 - 4 (Nursery pupils will continue to have a physical learning journal and KS5 will continue to complete ASDAN accreditation).

The learning journal will provide parents with personalised photos, videos and observations of learning and fun being had by your child whilst in school and out in the community.

Parents/relatives will have their own individual log-in and create their own password in order to keep the information shared private. We need to have email addresses for relatives wishing to access online journals. Please provide contact information on the next page for yourself and any relatives you wish to have access to your child's journal.

Photographs/videos and observations will occasionally contain other pupils, we therefore ask that no information is screenshotted or shared on social media. If you do not want your child to be shared on other pupils' accounts please complete the slip below.

The class teams will continue to use the home/school diary to share daily communications whilst the interactive learning journals will be added to on a more adhoc basis.

We hope that the learning journal will provide parents with an insight into your child's learning in school and share and celebrate all the wonderful accomplishments your child has made.

If you have any worries or concerns, please do not hesitate to contact me.

Yours sincerely

Ed Bowen-Roberts
Headteacher

Online Learning Journal - please return to class teacher

Please **do/do not** include (child's name) _____ in other pupils' learning journals.
