We are sharing weekly online Rhymetime sessions on Facebook and You-tube to take part at home every Wednesday.

Our libraries online services include thousands of free ebooks, audiobooks, digital comics, newspapers and magazines that are available online with a library card, and the family history website Ancestry is available by logging into the Librarieswest website at www.librarieswest.org.uk. You can join online at www.librarieswest.org.uk/join and register for the online resources immediately. We also have library staff offering help with using the internet and accessing online resources – users should contact libraries@n-somerset.gov.uk or phone 01934 426834 saying what help you need and what device you are using, and someone will get in touch by phone.

More details about all these services can be found at www.n-somerset.gov.uk/onlinelibrary

With best wishes to all
