REGISTER OF BUSINESS AND PECUNIARY INTERESTS

ACADEMIC YEAR : SEPT 2020 - JULY 2021

It is a legal requirement that all Schools maintain a Register of Business Interests that should list, for each member of the Governing Body and Headteacher, any business interests that they, or any member of their immediate family, have.

It would be considered prudent and best practice to make members of staff aware of the requirement in order that they too may complete a form for inclusion and declare similar interests.

At the beginning of each year, every Governor should complete a copy of this form and ensure that it is updated throughout the year as and when any Business or Pecuniary interest may arise.

PLEASE NOTE THAT IF ANYTHING CHANGES TO YOUR BUSINESS/PECUNIARY INTEREST THROUGHOUT THE ACADEMIC YEAR YOU MUST DECLARE IT IMMEDIATELY.

A **NIL** return should be completed where the Governor has no such interests.

Declaration of Pecuniary Interests:

Whilst what should be declared is a grey area, audit advice is if in doubt declare on the basis that no one will be criticised for declaring interests that are irrelevant but people are clearly open to criticism for failing to declare what is relevant.

Governors should make the register available for inspection to staff, parents and the local authority.

I confirm that the above information is correct and that I will provide additional information throughout the academic year should my circumstances change.
