

27th April 2021

Dear Parents/Carers

I am delighted to say that it has been a very positive start to the summer term here at Baytree. We are now in a position to welcome back all of our learners. Those that are returning are all settling back incredibly well.

Although we are in a positive position with all learners returning, we must ensure we continue to be vigilant, Covid-19 is still present and so is a continued risk. I have attached the updated parent/carer guidance and ask that you all take a moment to read through it.

We are hopeful that as the restrictions ease and rates continue to fall that we can reinstate some of our face to face events this term, so please watch this space!

In the meantime, I ask that we all continue to be vigilant. If your child is unwell, please do not send them into school. If your child or anyone in your household is displaying any of the Covid-19 symptoms, you self-isolate, arrange a PCR test and inform the school as soon as possible.

I would like to thank you all for your continued support.

Yours sincerely

Ed Bowen-Roberts
Headteacher
