

In **Purple Class** we have been exploring our local history and as part of that we built celtic forts using Duplo to represent Worlebury Hill Fort. To link into science we tested how strong each learners wall was by throwing bean bags at them which the class thoroughly enjoyed.

Birnbeck Class have well and truly got stuck in to the new term! We have been busy with our new topics all about exploring our school community and finding out about different places to work. We have interviewed different staff, taken photos of how to use different areas of the school, and also visited areas in the local community! Some of us have started our Work Experience in school and out in the community and have been fantastic role models representing Baytree School!

As the weather improves, **Green Class** have been working outside in our 'Garden' area. It is lovely to be able to enjoy the brighter skies and feel the breeze. Working outside is much more fun!!

It is an exciting time in **Stepholm Class** as we have all been exploring different jobs. Some of us have started work experience placements- learners are working in the Strawberry Line café, at the Strawberry line bike hire and at Step and Stones Bakery. All of our learners have been amazing in these placements and we look forward to seeing them progress in these. Learners who haven't started placements yet, have been exploring different jobs around the school. They have had a lot of fun seeing all the different jobs people do and practicing these.

Orange Class have had fun in science learning all about different seasons. We explored different

types of weather and especially loved dressing up, getting messy making snow, feeling the wind and exploring

Yellow Class have been having lots of fun during our science lessons. We have been learning about seasonal changes: environment, weather, clothing and activities. We have explored winter this week and have built weather globes using sensory items and explored winter immersive stories and experiences.

Blue Class have had a very successful first week at horse riding, and have been making sandcastles out of circles, squares and triangles as part of our exploring shapes maths work.

Knightstone Class have been working with our friends across the pier to collect food to help local people using the food bank. We collected food from all the classes at Bay-tree then sorted the food into bags. We then delivered lots of food to Morrisons food bank. Many thanks to all who donated.

Term Dates 2022 - 2023

Term 1
 INSET DAY - Thursday 1st Sept
 INSET DAY - Friday 2nd Sept
 Term Starts - Monday 5th Sept
 Term Ends - Friday 21st Oct

Term 2
 INSET DAY - Monday 31st Oct
 INSET DAY - Tuesday 1st Nov
 Term Starts - Wednesday 2nd Nov
 Term Ends - Friday 16th Dec

Term Dates 2022 - 2023

Term 3
 Term Starts - Tuesday 3rd Jan
 Term Ends - Friday 10th Feb

Term 4
 Term Starts - Monday 20th Feb
 Term Ends - Friday 31st Mar

Please note there are still 2 more IN-SET days to be added.

Term Dates 2022 - 2023

Term 5
 Term Starts - Monday 17th Apr
 BANK HOLIDAY - Monday 1st May
 Term Ends - Friday 26 May

Term 6
 Term Starts - Monday 5th Jun
 Term Ends - Friday 21st Jul

Next week, it is Mental Health Awareness Week. On Friday 13th May, we are raising money for the Mental Health Foundation. Everyone is invited to wear green for a donation.

Donations can be made on our Facebook fundraiser page: <https://www.facebook.com/donate/1116515512462044/> or by bringing a cash donation into school. Thank you for your support!

Winston's Corner
 Winston managed to get himself into a spot of bother this week, then did his best "please help me" face! Rescue mission accomplished!
