

THE BAYTREE BUGLE

'Making the most of every day'

ISSUE 225

01 MAR
2024

We have had a really positive start of term in both our Weston and our newly opened Clevedon Campus.

I am pleased to say our learners have transitioned across to the Clevedon Campus successfully and all are enjoying their new classes and the new facilities.

We have welcomed 10 new learners to Baytree School following the half term break, Joshua, Bobby, Colbie, Lucas and Bobbie joined Red Class and Arthur and Kelvin joined Green Class in our Weston Campus, whilst Rohan, Noa and Teddie joined Pink Class at our Clevedon Campus. All of which have amazed us as to how well they have settled to and started life at Baytree School. We have also welcomed some new members to the team, Zuzanna, Denyse, Stanley, Donna, Hayley, Lucy and Julie!

This term started with a whole school topic focussing on 'New Beginnings' all learners have thoroughly enjoyed this topic and have experienced some amazing learning activities, which you can see from the photos below.

Red Class have welcomed 5 new learners this term, and we have been amazed at how well they have settled in! Lots of new friendships are being made, and we have had lots of fun playing and exploring our environment as well as getting to know each other. Team Red are very excited for the term ahead!

Ed

Orange class have been busy exploring our 'Just add water' science as well as practising our ball skills in PE. We have also been enjoying our joint sessions with Yellow Class – especially our parachute games!!

Valentines Family Disco

We raised:
£320!!!!

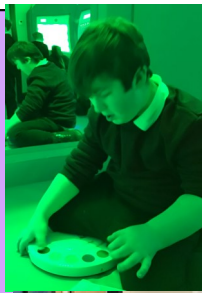

Thank you to everyone who attended & supported us!

Clevedon Red/Orange class have enjoyed exploring their new classroom and school! Over the last two weeks we have been exploring the different rooms and getting to know each other.

Middle Years Clevedon:

We have had a fantastic 2 weeks exploring our new school! The learners have begun finding their way around and enjoying all the sensory rooms and hydro pool. We have also been lucky enough to have visits from lots of outside professionals including Bristol Bears, Music therapy, and Cricket. All the learners have enjoyed getting to know their new class peers and staff and we are looking forward to getting stuck into our wildlife topic next term.

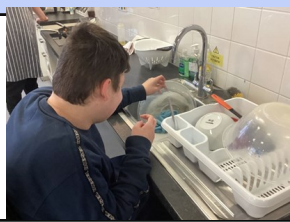

The Pier

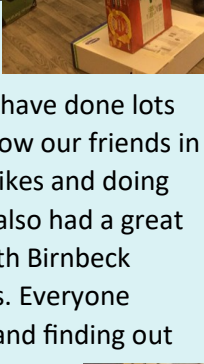

have had a great start back to term 4. We have enjoyed some fun challenges: seeing who can build the tallest tower and making our own yummy ice cream sundaes. We have also been getting back into our usual routines like work experience and college.

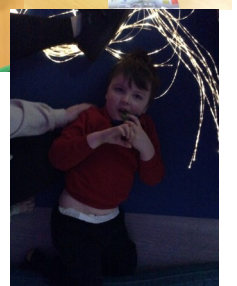

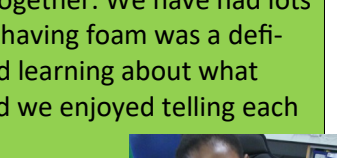

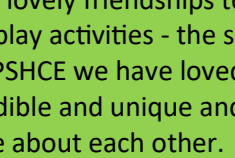

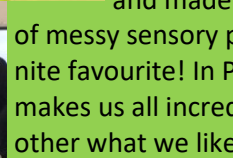

Yellow Class have been enjoying lots of play and exploration in class and have also enjoyed playing with their friends from Orange Class.

Worle Class have been enjoying our mini topic of New Beginnings. We have done lots of activities to get to know our friends in new ways e.g. likes, dislikes and doing activities together. We also had a great afternoon joining up with Birnbeck Class, to do table games. Everyone loved playing together and finding out about our friends' skills.

Green Class have had a great start to the new term! We have welcomed new friends and made lovely friendships together. We have had lots of messy sensory play activities - the shaving foam was a definite favourite! In PSHCE we have loved learning about what makes us all incredible and unique and we enjoyed telling each other what we like about each other.

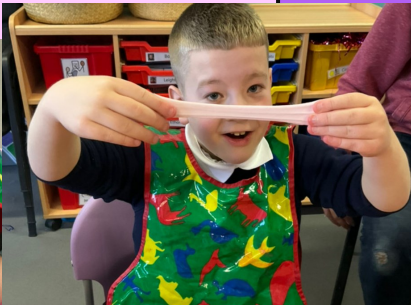

Blue class have had a fab start to the new term. We have had so much fun with our topic of 'New Beginnings'. We have been exploring using all our senses, making slime – which was a lot of fun, we did get VERY messy, and enjoying sensory stories. We are very much looking forward to the next few weeks!

In **Pink Class**, we have had an amazing first 2 weeks back with a focus on Incredible You and how amazing we are. We have been exploring slime and gloop and loving it!!

We have really enjoyed our special topic on 'new beginnings'

in **Purple class**. We have explored what it means to be a friend and written kind notes to each other. We have also looked at what we like about each other. We have explored the animals in the book 'incredible you' and have also made marshmallow slime in science.

We would like to say a massive thank you to those at So Crafty for a very generous donation of £720, and for attending our assembly.

SIX WEEK BUILDING RESILIENCE & WELLBEING PROGRAMME FOR PARENT CARERS

WHAT DO YOU NEED?

It's rarely easy being a parent, being a parent-carer takes this to a whole other level! Exhaustion, worry for the future, fighting to get heard, feeling not listened to, repeating ourselves again and again...

We cannot take all of that away - what we can do is help you cope with it all better with our **Building Resilience & Wellbeing for Carers 6 week programme**. Our 6 week programme works to remove some of that stress so you can think more clearly, feel more energised, sleep better and are able to find solutions easily.

Next programme starts 29th February at 6.30pm and runs until 4th April 2024.
