

A note from Healthcare: all care plans will be sent home for parent/carers to read and update accordingly. Please can these be returned by Friday 29th June.

Red Class have absolutely LOVED starting our pirate topic this term. We have got stuck in by dressing up as pirates, exploring under the sea habitats and enjoying a story all about how to be a pirate! Some amazing focus and interaction so far! We have also spent lots of time outside, making the most of the warmer weather!

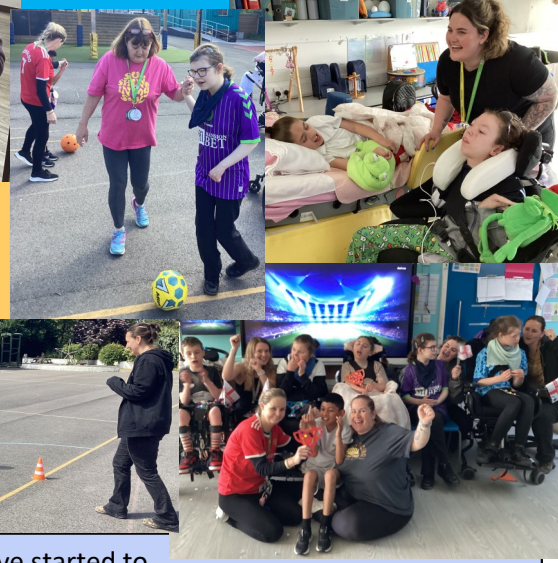

Birnbeck class have enjoyed their start to the term. We have been learning about Brazil in topic and geography and made rainmakers for musical instruments. In science we are learning about space and have painted planets and conducted an experiment into how creators are made.

Blue class have had a super fun and busy couple weeks back at school! We've had our own football tournament, lots of winners, everyone got a trophy! We have also welcomed back the lovely Keian, who we're very happy to see!

In **Orange & Yellow class**, this term our topic is Pirates. We have had lots of fun dressing up, counting treasure and water play. We have also been finding out what environments we like best, we've explored the seaside, woodland, parks and gardening.

The Pier have started to get ready for prom this term. This year's theme is Mardi Gras. We have been starting to do some big colourful paintings which will turn into decorations for the big event. We had lots of fun making them and think they will look amazing!

Worle Class have started to work experience this term. We are super proud of our students who have done amazing work. Some students have been working in lower school, helping to lead the "Wake and shake" sessions and circle time sessions. We have had some amazing comments on how well they are working. Others have been delivering messages, litter picking and making cakes for a Pop-up Café.

Fantastic start to Term 6 in **Pink Class**. We have been enjoying exploring the 1950s and 60s in Literacy and exploring Rosa Parks and The Beatles in History. We had great fun in Flamingo chicks with the ribbons and had some great activities during Forest School. You are amazing Pink Class :o)
