

Yellow Class, Weston - have been exploring vegetables and watching how they can regrow in water. We have also been exploring and sorting shapes.

Red Class, Clevedon - This term we have been learning about Christmas traditions and countries around the world. We have enjoyed exploring different stories such as Hansel and Gretel and Handa's Surprise. In PSHE, we have been thinking about choices linked to the things we like and don't like. We have also been swimming this term, and it has been amazing to see how well the children have done. Well done, Red class!

Pink Class Clevedon - have been exploring the world of Disney, being enchanted by the beautiful Beauty and The Beast and Frozen stories. We've explored the characters and settings in the stories. We have also enjoyed forest school - making bird feeders to hang in the trees. Amazing Pink Class, keep going!

Blue Class, Weston - It has been a very busy few weeks in Blue class, we have continued our work on Frozen as a sensory story and completed lots of follow up activities including making ice pictures and exploring safe fake snow. It may feel a little early but we have also started to make some wonderful Christmas decorations to decorate the school. Everyone has been very involved with all things festive and sparkly.

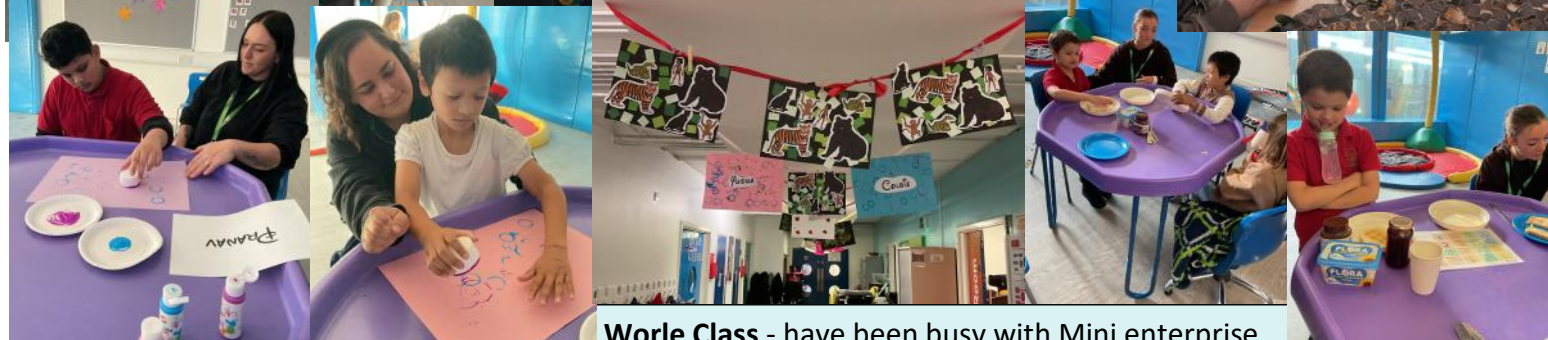

The Pier, Clevedon - have been working hard over the last term and a bit, making and selling their cakes at the class cafe as part of their enterprise and careers projects. The Pier class chose to use some of their earnings on a trip out to the mall, as a treat for their hard work. The Pier class had a fantastic day, where learners bought presents for loved ones and explored some of what the shops had to offer, including bath bombs in Lush and hand creams in the Body Shop.

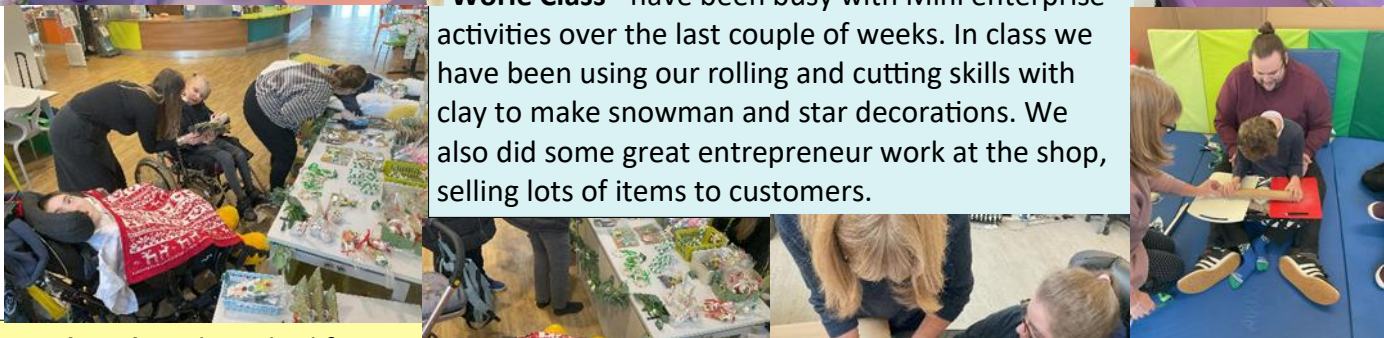

Knightstone, Weston - have been continuing with their topic of shops and markets by looking at the differences between the two and how they have changed over time. In Science we have looked at germs and how easily they can spread. We then did an experiment to show how important soap is in helping to get rid of germs! Our enterprise market stall is going brilliantly and some of the learners enjoyed running it this week! In English the learners have continued to immerse themselves in following instructions as well as writing their own set of instructions on how to make a pizza! Another busy couple of weeks in Knightstone.

Purple Class - We've had a brilliant two weeks in Purple Class! As part of our Disney topic, we've been exploring The Jungle Book, learning about the characters, animals, and the different sounds they make. In history, we've been looking at how the Disney logo has changed over time, and we even created our very own Disney-style logo art featuring our names!

A couple of us enjoyed a trip to the shops, practising our communication and life skills out in the community. We're now really looking forward to all the Christmas fun we have coming up!

Worle Class - have been busy with Mini enterprise activities over the last couple of weeks. In class we have been using our rolling and cutting skills with clay to make snowman and star decorations. We also did some great entrepreneur work at the shop, selling lots of items to customers.

Yellow Class, Clevedon - have had fun singing songs from Africa with traditional instruments. We have been mark making in different ways using flour, gloop and other tools on paper. We have been having a great time in our walkers having races and sending balls up and down the corridor.

Orange Class, Weston - have been very busy engaging in different activities linked to around the world. In literacy we have been learning the story 'My cat likes to hide in boxes'. This week we have travelled to Spain and listened and watched some flamenco dancing as well as having the opportunity to play a ukulele. In Geography, we travelled to Germany and listened to some German Christmas music whilst exploring a hot chocolate sensory tray. Some learners followed directions to make themselves a hot chocolate.

College - We have been busy in college over the last two weeks- making crafting items to sell at the pop up shop in the campus. We have also been walking to local bus stops to see what buses stop here and where they go. We have been completing our life skills jobs in the flat for our AQA award as well. What a busy few weeks. Well done everyone!

Red Class, Weston - have been busy continuing their topic of Around the World. We have explored some yummy chinese foods, had a picnic in Central Park in New York, went to Brazil to see the sights and decorated boomerangs in Australia.

Yellow Class, Weston - have also had a very colourful time on Children in Need Day and we have been getting super busy and messy in our sensory play.

Green Class, Weston - have been continuing our Disney topic. This week we have looked at the story of 'Snow White' and we have even made our own Mickey Mouse ears.

Green Class, Clevedon - have been loving our Disney topic. We have been learning all about how Disney animation has changed over time and used AI to create Disney characters of ourselves. We have also dressed up as various Disney characters and been learning about how fairy tales are written with a villain, hero, side kick and damsel in distress!

Pink Class, Weston - have had a busy few weeks. We have continued our Disney focus in Literacy - having a blast re-enacting Encanto and Frozen. Taking our new knowledge, we have been creating, ordering and constructing sentences using colourful semantics to rewrite familiar scenes. In Numeracy, we have continued focusing on 'Shape'. We have had fun exploring our new touch pad resources, using these to practise our fine motor skills along the way. We have also been focusing on calculations: addition and subtraction alongside our continued number bond work.

WEST OF ENGLAND
MUSIC
AND ARTS

A musical treat for the festive season!

Holiday Singing Days

Two fun and engaging singing days during the Christmas Holidays. One for children in years 3-6, and one for those in years 7 upwards. With WEMA musician, composer and conductor Joe Galuszka.

Monday 22 December: KS2 Singing Day

Tuesday 23 December: Secondary Singing Day

34th Weston (The Firs)

34th WSM cubs & beavers needs your help!

I run the cub & help with the beaver group for children with additional needs in Weston.

We run on a Thursday (term time only) 5:30-6:30 & 6:45-7:45, at Hutton scout hut.

We run weekly meetings doing fun and rewarding things!

We are low on adults due to people going onto pastures new and are desperate for some new faces to join us!

If you're interested please message me on here or email: 34thwsmcubs@gmail.com for more information
