

Green Class, Clevedon - have been loving our new topic of all things Disney! We have enjoyed listening and joining in to the Story of Snow White and the Seven Dwarfs and understanding the different types of characters in a Fairy tale such as villains and heroes. We have also been exploring how the Disney logos and films have changed over time and soon will be creating our own animations.

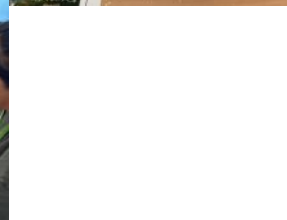

Pink Class, Weston - It's been a busy and exciting time in Pink Class. We've been exploring performance poetry inspired by fireworks, using our voices and actions to bring poems to life. We even made our own edible sparklers – a delicious (and slightly messy) way to celebrate our learning.

Our Disney focus continues to spark imagination, and we've been using our chat mats to help us build and expand our descriptive sentences. During our Remembrance lessons, we took time for thoughtful, immersive activities to understand and honour the importance of remembrance.

There's been lots of great learning, communication, and fun – well done, Pink Class beauties!

Purple Class - have had a fantastic two weeks! Our topic this term is Disney, and we've been having lots of fun exploring the story of Encanto. We've enjoyed learning about the different characters and their special gifts, as well as joining in with music and movement activities inspired by the film's soundtrack. In maths we've been exploring shapes, naming, matching, and finding them all around our classroom. We also took part in Remembrance Day through art, sensory exploration, and attention autism sessions, which everyone loved!

Upper School, Clevedon (Tickenham and The Pier) - have been working hard preparing for the re-opening of the Orchard Cafe. We have made rocky road and shortbread to serve to our customers! On Wednesday, we opened our cafe for the first time this year and our learners demonstrated excellent customer service. They set up the cafe, took customers' orders and payments and tidied up afterwards. They looked wonderful wearing their new Orchard Cafe aprons too. Well done Team Upper School!

Knightstone, Weston - have come back brilliantly after half term and have kickstarted the term with lots of learning.

We have begun our trips to the flat on a Friday to build life skills of cooking and cleaning which the learners seemed to really enjoy! Some learners also made their way to Morrisons to do some shopping whilst others learnt about the difference between shops and markets. The learners have also been getting their hands messy with arts and crafts, creating firework art for bonfire night and the start of our Christmas enterprise. The adults are super proud of all of the learners in Knightstone class as they are showing fantastic resilience and enthusiasm for their learning - keep it up team!

Red Class, Clevedon - We've had a great start to Term 2! This term, we've enjoyed beginning our swimming sessions and have started learning about our new topic: Around the World. In English, we've been exploring Handa's Surprise, which is set in Kenya. In Maths, we've continued working on counting and have been learning about big and small. In PSHE, we spent the week focusing on Anti-Bullying and building positive friendships. Well done, everyone!

Worle Class - have been thinking about their friendships this week as part of anti-bullying awareness week. They enjoyed making friendship cards for their friends and choosing who to give them to.

They also took part in Remembrance day activities, making large poppies and watching the Remembrance day services across the country.

Birnbeck, Weston - have had a very busy few weeks! We have started our new enterprise topic in which we have made lots of items to sell in our pop up shop in The Campus over the next few weeks. We would love it if you could come and support our shop! In life skills we have followed instructions on how to fold our clothes.

Green Class, Weston - have loved starting our new topic around Disney and Fairy Tales.

We have explored the stories of 'The Jungle Book' and 'The Little Mermaid'. We have been thinking about Remembrance day and have been out in the local area exploring autumn treasures.

Red Class, Weston -

have enjoyed exploring our new topic of Around the World. So far this term we have experienced: London, Paris, Holland, Italy, India, Japan, and Egypt. We made wrap pizzas in Italy, ate pastries in Paris and tried using chopsticks (tweezers) with sushi in Japan. We can't wait to see where we will go around the world next! We made firework pictures in art and explored a tuff tray related to Remembrance Day.

Blue Class, Weston - It has been a very busy but fantastic start to Term 2 in Blue class! We have got stuck into our topic of fairy tales and have been enjoying a Frozen sensory story with lots of fun activities involving ice and safe fake snow. We've had great dough disco sessions; learners are starting to anticipate the activities and get more involved, and some of Blue class have been going across to our Clevedon campus to enjoy the facilities there. Excellent work Blue Class!

Yellow Class, Clevedon - have been exploring different aspects of our topic 'Around the world'.

In Science we have been looking at different habitats from around the world, we have enjoyed exploring cold polar regions with ice and coral reefs, finding sea creatures hiding in amongst the sand.

We created a lovely poster for Remembrance day and went to remembrance assembly to remember those who fell. In Art we have looked at Decorations used in Portugal and made our own tiles!

Steephholm - Weston - have had a brilliant start to the term. We have been very busy making lots of different crafts for our Christmas pop-up shop in the campus. We would love to see lots of people at the shop, there are lots of lovely things for you to buy. We have also been developing our cooking skills, cooking lunches and thinking about safety when we are using the kitchen. In PE, we have enjoyed the start of our sessions with Bristol bears. We have also been completing different cleaning and tidying jobs in our classroom and at the flat.

Orange Class, Weston - We are really proud of how well the learners have settled back into routine after the half term break! This term our topic is 'Around the world'. We have been exploring the book Handa's Surprise. We read the story then had a go at cutting up the different fruits using our fine and gross motor skills. In maths, we are continuing our fun with 'Messy maths'. We all love this sensory way of teaching maths and we get to get messy too- win win!

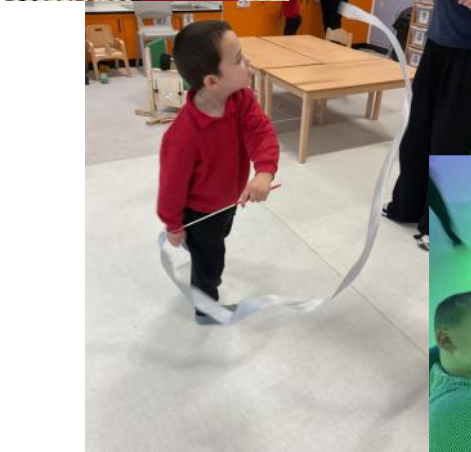

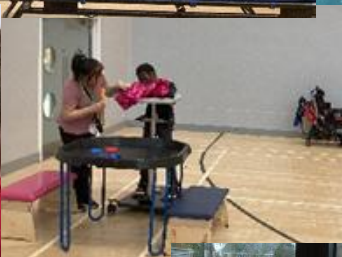

College - We have really enjoyed the start of this new term in college. We have been going to Hutton Moor Leisure Centre for our new table tennis unit, using our knowledge of the leisure centre and understanding that you can do other things in the same place. We have also started our music AQA award, where we are listening to music and playing along with instruments. We have also enjoyed selling poppies for remembrance day across both schools.

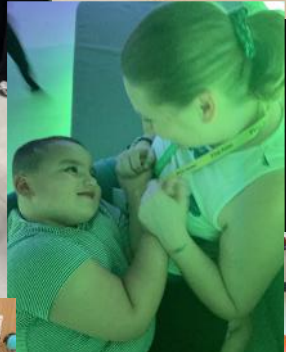

Therapy - Learners had the opportunity to see the hydrotherapist, and will now have a programme to follow in hydro sessions. Divine did some amazing weight bearing, Elizabeth did some great movements in the water and Theodore did good pushing through his legs.

In rebound therapy Bailey is gaining confidence when on the trampoline and other learners are practicing core strength and communication skills.

Learners from all classes are enjoying sensory circuits in Weston and MOVE sessions in both Campus' getting lots of opportunity for movement and developing motor skills.

Orange Class, Clevedon - have been loving our new topic 'Around the World'. We have been to the immersion room to explore under the sea and snowy climates! We have enjoyed different stories from around the world too, including Handa's surprise and The Great Race!

34th Weston's Cubs need you!

34th Weston are a SEN Scout Group, based in Hutton, looking for new Volunteers to work with young people (aged 8 -10 & 1/2), who have additional needs, to help them have fun and learn new skills!

Email: James.Skuse@scouts.org.uk or Text: 07593 100605

34th WSM cubs & beavers needs your help!

I run the cub & help with the beaver group for children with additional needs in Weston.

We run on a Thursday (term time only) 5:30-6:30 & 6:45-7:45, at Hutton scout hut.

We run weekly meetings doing fun and rewarding things!

We are low on adults due to people going onto pastures new and are desperate for some new faces to join us!

If you're interested please message me on here or email: 34thwsmcubs@gmail.com for more information
